SUPPLEMENTAL PRELIMINARY AMENDMENT

Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

Prior to examination upon the merits, kindly amend as follows:

IN THE SPECIFICATION

NE Page 5, line 21, change "support" to --coil  
antenna--.

Page 6, line 22, after "circuit" insert --without  
requiring additional electrical connections between the coil  
antenna and the chip carrier module during or subsequent to  
assembly--;

NE

line 26, change "the same" to --it--;
